NOTE FOR: Mr. Bannerman via Mr. Coffey

I am attaching a copy of the previous report - Jan/Mar 1969. Please note (at clip) that high DD/I rate has receded; that Office of Director continues to lose high proportion of their CT's (of course, one or two separations out of 4 or 5 employed produces a startling percentage loss rate). Support seems to be hanging in at a favorable comparative rate.

Suggest your initials.

MEMORANDUM FOR: Director of Personnel  
SUBJECT: Career Training Program, Quarterly Report

Your 26 July 1963 report to me summarizing the Agency's experience with the Junior Officer Training/Career Training Program suggests that we must give close and continuing attention to the management of these young professionals. To assist me in this, will you please provide quarterly a report which updates your July report. It should show the experience for the quarter and compare it with past experience. I want not only the numbers gained and lost but, for those who left, who or what they were in terms of age, length of time in the Agency, the component to which they had been assigned and from which they left. I want particularly that thorough exit interviews be conducted with those who leave so I may know as well as I can why they left.
